Help your Child!

Today more than ever, schools are challenged to provide every child with the best education. Budgets are tight while government requirements are growing. Schools are challenged to do more with less.

More than 30 years of research has proven that children do better when their parents are involved both at home and in school. Grades are higher. Test scores rise. Self-esteem grows. Schools improve.

Powerful outcomes from your active involvement in your child's education. You know the benefits and want to make a difference, but how can you be more actively involved?

It's simple - Join the Parent Teacher Organization (PTO).
