I have read the above and understand the conditions under which my son / daughter must abide by. I understand that failure to complete the application as requested will result in the application being removed for consideration. If a permit is issued, failure to comply with the rules above may result in disciplinary action and loss of the parking permit. I am aware of the possibility of random drug searches by law enforcement agencies using drug dogs and grant permission for such searches to occur as a condition for obtaining this parking permit.
