

SCOTT COUNTY SCHOOLS

Permission Form for Photos, Videos, Interviews, and Web Publication

Version: 1.2 (8/2010)

Grade K-12 parental permission for media use, district broadcast, web or other publication of student’s photograph, likeness, and/or voice.

Throughout the year, there may be in-school programs, events, assemblies, PTA/PTO events that are open to the public and where large group photographs or videos will be taken by the media and/or school/district staff.

In addition, to the above situations, there may be times the media (newspaper, television, or radio), school district staff, or students (as part of class projects and activities) may take photographs, audio/videotape students, or interview students individually. The school district may display student pictures and projects in a variety of ways that reasonably portray programs of the Scott County Schools, including pictures of field trips, science fairs, sports events, and other activities appearing in yearbooks or school/district publications. Student likeness and work may also appear on the district website, thereby making it available to the public.

The school district assumes no responsibility for photographs, audio/videotapes, etc. that may be made by parents or other non-school personnel at public events.

Directions: Check one option below:

I **GIVE** permission for my child to be photographed, audio/videotaped, or interviewed. I understand that this permission covers all academic, sporting, and yearbook events/activities as related to the Scott County Schools.

I **DO NOT GIVE** permission for my child to be photographed, audio/videotaped, or interviewed, and understand that this may prevent awards and recognition programs from including my child.
