**REVISED DRESS CODE POLICY** – Please note that our dress code policy has been updated to include No Pajamas. This includes flannel or knit lounge bottoms that are made to be loungewear or sleepwear. You may view the entire dress code policy here:

<https://www.scott.kyschools.us/userfiles/1954/My%20Files/Building%20Files/Policy%2021%20-%20Dress%20Code.pdf?id=84731>

**ATTN: FAMILIES OF CAR RIDERS:** If your student is a car rider, please note that they must get in or out of the car from the car rider line. Please do not park in the parking lot and ask them meet you there or allow them to depart the car to enter school from the parking lot unaccompanied. This is incredibly dangerous for our students and staff members. Students should also not be leaving the building before the release bell at 3:30pm. Please do not park in the handicap parking spots unless you have a handicap sticker/placard.

**AFTERNOON CAR RIDER DISMISSAL LINE** – Parents, we ask your help with our afternoon dismissal and getting the students out of the building, into their vehicle and on the way home in a timely manner. 1) Your student should know their car rider number and should identify if it is on the board each day. If you have given the attendant their number when you arrive in the afternoon pickup line, that means that the number is on the board in the gym and your student can see it when they arrive in the gym; 2) numbers are assigned a letter (changes each day depending on car location) and they should be waiting for their car at the assigned letter each day; 3) if student number is not on the board then they are instructed to watch for their car as it comes around by the football field. You can help by 1) not stopping when you see your student – they are instructed to keep walking and follow their car stops directly behind the car in front of theirs; 2) only enter through the Anne Mason entrance when dropping off/picking up during car rider times; 3) do not pull out of the line once your student is loaded – this creates a dangerous situation for everyone. If parents and students will follow these guidelines we can load and get our car riders on their way very quickly. If you have any questions, please reach out to one of our administrators.
