5. **Good News Report**
 - a. **Report on return to school:** We have been back in school for one week and one day. It has been going a little slow getting back into the groove. But so far, its going well.
 - b. **GCHS play, Help Desk A Stay at Home Play, went on!** The virtual play went off without a hitch. Now we have to put on a Spring Musical
6. **Review of 21-22 Course Guide—2nd Read:** We made some corrections. This was pushed out and discussed during 1st and 4th hour. There will be a separate guide for each grade. Make it as simple as possible. There are help sessions for student and parents to meet with counselors.
Make a Motion to Approve the 2nd read of the 21-22 Course Guide. Approved: 1st Ford 2nd Smith
7. **Budget Report:** Mrs. Lusby said that she has 2 meetings a week with Mrs. Gullett, our bookkeeper. The Section 6 ESS allocation for 21: Hopefully this will come in handy because we believe there will be a lot of students failing this year. We would be able to hire 7 or 8 teachers for summer school. Maybe even have a mini session over spring break.

Critical standards must be met by the end of the year. There is no way for this to happen. We will be spiraling backwards in those standards for the next few years.

The IT funds are still in a deficit. It takes money to make money. We have to purchase consumables to make things to sell. Their man power decreased a lot when school went viral. Scott County Athletics is

one of their big customers. The balance will go up when kids get back to school.

Approve: 1st Peoples 2nd Ford
