If an item has been lost, they may pay the replacement fee. If they are unable to pay, they may work their debt off in the library or school by working (cleaning, dusting shelves, picking up trash, etc.) at a rate of \$8.00 per hour.

- 6. Budget Report:** Activity account-the Y Club collected all those fees. FCS- Markey Cancer Center. FCS- CTE fees for FFA. Welding was using donated materials and made \$1500 free and clear. Another company is paying for the early morning class for the Welding program this year. We are not sure if this will happen again next year. Section 6 has \$22,347 in ESS 22. Zero in ESS 21.

Mrs. Watford and Mrs. Curren asked why their accounts went down. We will check on that. Also, Mrs. Lusby said

that the upkeep of the machinery in the IT department is very expensive. When the board purchased the equipment, they did not pay extra for the warranties. We just spent \$410 for a service call.
