

On behalf of the students and staff of Scott County High School, I would like to welcome you to the 22nd Annual Toyota Classic Basketball Tournament. The tournament has consistently brought together some of the best student athletes and basketball teams from across Kentucky and the eastern United States. The atmosphere and competition at The Classic never fails to provide a great four nights of Hoops.

The tournament benefits the entire Scott County High School athletic department and is truly a community effort. We want to express our appreciation to not only our headline sponsor, Toyota Motor Manufacturing of Kentucky, but to all the local businesses, parents and volunteers that spend countless hours working to make the event a success. The continued support is greatly appreciated. Good Luck to all participants at the Toyota Classic.

A handwritten signature in black ink, appearing to read "Joe Covington", is positioned below the text. The signature is stylized and cursive.
