Hello basketball fans and welcome to the 22<sup>nd</sup> Annual Toyota Classic!

On behalf of our team at Toyota, I'd like to extend a warm Scott County welcome to each of you- we're glad you're here.

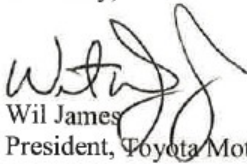

At Toyota, we're basketball fans too. So it is our pleasure to be a part of this premiere high school hoops tournament, which always features excellent competition and enough school spirit to fill Rupp Arena.

Just as it takes a strong team to compete in this tournament, it takes a strong team to make this tournament a first-class success. To the many volunteers and supporters who work tirelessly each year to make the Toyota Classic happen- thank you. The success of this tournament would not be possible without the hard work and dedication of so many people throughout our community.

If you're a guest to Scott County this week, we hope you'll enjoy getting to know our community. While you're not watching the games, check out some of our local restaurants, visit the shops on Main Street or stop by our Visitor Center at Toyota for a free plant tour!

Best of luck to all the teams in this year's tournament. Represent your teams proudly and enjoy every moment of the 2017 Toyota Classic!

Sincerely,

Wil James
