

We would like to welcome all high school basketball fans to the 24th edition of the Toyota Classic. This tournament brings together some of the finest student athletes and basketball traditions in the southeastern United States. The Georgetown—Scott County communities support of this event, over history, has been generous and remarkably consistent. It is worth noting that all funding created by this effort goes directly into the support of all student athletes.

As we move forward with the opening of our second high school next fall, the hope is that the Toyota Classic will continue to be a vehicle that allows for the ongoing support of all student athletes in our ever-growing school system. Thank you to all those volunteers and sponsors for their help in making the Toyota Classic one of the premier tournaments in the Commonwealth. Let's Play Ball!

Director of Athletics/Energy

---

Dear Basketball Fans,

Welcome to another star studded Toyota Classic and thank you for coming out to support such a great community event. We are so proud to work with our sponsors to bring you the Toyota Classic and have the opportunity to showcase so many hardworking, talented student athletes. I am excited to see what memories this year's games will provide our fans, athletes and coaches. It is my hope that we can pack the stands to encourage, support and energize our players. With that, I'd like to remind all fans, coaches and student athletes to display sportsmanship at all times. I am honored to serve as the Athletic Director at Scott County and proud to host so many great teams. I look forward to seeing everyone out at the games.

Go Cards!
