

On behalf of the members of the Scott County Board of Education, administration, staff and students, I welcome you and want to thank you for your support of the fine student-athletes participating in this year's Annual Toyota Classic Basketball Tournament.

We hope that your participation in this year's tournament is both enjoyable and rewarding. We take great pride in the accomplishments of our students and staff. We seek to improve our school district, its programs and what we are able to do with and for our students. Your support of the Annual Toyota Classic Basketball Tournament makes that possible.

The rich and storied history of Scott County High School basketball is full of accomplishments of both scholars and athletes.

Please feel welcome here and feel free to return for other activities and events. Best wishes to each of you and enjoy the games and the competition on the courts.

Sincerely,

A handwritten signature in blue ink, appearing to read "K. Hub", is written over a light blue circular stamp.

Dr. Kevin F. Hub
