
The Scott County High School family would like to welcome you to the 24th Annual Toyota Classic Basketball Tournament. This tournament is a true display of great sportsmanship, talent and community involvement. Over the next four days, you are sure to witness some of the best student athletes and teams in the state of Kentucky and the Nation.

Every year this tournament is a fantastic reminder of what it means to be a true community. We are blessed to have such dedication and commitment from not only local businesses but also numerous parents and volunteers. Thank you for giving so freely of your time to ensure that this event harbors immense success.

It goes without saying that we could not do this event without the support of our headline sponsor, Toyota Motor Manufacturing of Kentucky. We appreciate your continued support of Scott County High School athletic department and look forward to many more years to come!

Best of Luck to all of the participants at the Toyota Classic.
